Dated 31-7-52

[Despatch Abstract.]

Education - facilities for Technical education to children of Central Government officers.

Copy of the letter No.F.23-36/51-T.3, dated 26th October 1951, from the Secretary to Government of India, Ministry of Education, addressed to the Secretary, Department of Education, (All Part 'A' and 'B' States).

Education –

SUB: FACILITIES FOR TECHNICAL EDUCATION TO CHILDREN OF CENTRAL GOVERNMENT OFFICERS.

I am directed to state that it has been represented to the Government of India that considerable difficulties are experienced by officers of the Central Government who are liable to transfer from State to State in regard to the provision of facilities for their children for Engineering or Technological Education. The children of these officers find it extremely difficult to get admission to Engineering and Technological institutions in the State where they are residing for the time being, when admissions are confined to students domiciled in the State concerned. The consequence is that these students are denied the facilities which they would have had if they had continued to reside in any one State.

In the case of Medical Education, in most of the States in India special facilities have been made available for children of officers of the Central Government who happen to be serving in a State other than that in which they are domiciled. I am, therefore, to request that applications for admission to all Government controlled Engineering and Technological Institutions in the State from students, whose parents or guardians are Central Government Officers not domiciled in the State, may be treated for all purposes on the samefooting as applications from students belonging to the State. It is hoeped that the State Government will see their way to extend this concession to officers of the Central Government who are liable to inter state transfers in the interests of public service.

GOVERNMENT OF MADRAS.
EDUCATION DEPARTMENT.

LETTER/Ms.NO. 1763. DATED THE 31ST JULY 1952.

To

The Secretary to the Government of India,
Ministry of Education,
NEW DELHI.

SUB: EDUCATION - Facilities for Technical Education to children of Central Government Officers.
REF: Your Letters No.F.23-36/51-T3 dated 26-10-51 and 2-7-52.

I am directed to state that, after a careful consideration of the proposal in your letters cited, this Government have decided, that in the following Government Institutions seats as indicated against them may be reserved with effect from the academic year 1952-53 for the students whose parents or guardians are Central Government Officers, but not domiciled in this State, provided that such students satisfy the rules prescribed for the selection of the candidates for admission to the institutions concerned:-

Educational Institutions.	No. of seats reserved.
Engineering Colleges.	2
Medical Colleges	2
Veterinary Colleges	2
Agricultural Colleges.	2
Polytechnics.	2

2. As it would be embarrassing, if a standard of selection lower than what this Government have most rigidly demanded from the students of this State, is permitted it has been laid down that such candidates possess the prescribed qualifications for admission to the educational institutions. I am to add that the Government regret their inability to make any further concession.

(Sd.) xxxxxxxxxx
Secretary to Government.
